--	--

I hereby request Asplundh Tree Expert/Wolf Tree Inc., the City of Tallahassee line clearance contractor, to deliver a load of wood chips onto my property as described on this form. **I understand a load of wood chips may consist of any type of wood, leaves, twigs, etc.; and I agree to assume all responsibility for such material, after it is delivered to my property, including the proper dispersal of said material, and to hold the City of Tallahassee and their independent contractors, harmless for any damage which may arise from said materials after they are delivered to my property.** I understand that this request for wood chips does not guarantee delivery and that this service is provided free of charge.

Please sign below to authorize delivery of wood chips and assumption of responsibility.
